**Re: In re BroadBand Office, Inc., Case No. 01-1720-GMS (Chap. 11)**

Dear Judge Sleet:

This office represents BBO Liquidation Corp. ("Plaintiff") as successor to BroadBand Office, Inc., in the above-referenced Chapter 11 case and various related adversary proceedings.

Recently we were contacted by Your Honor's chambers regarding a mediation which had been scheduled for January 12, 2006 in the following adversary proceedings:

- Civil Action No. 03-690 (BroadBand Office, Inc. vs. Datec Corporation)
- Civil Action No. 04-394 (BroadBand Office, Inc. vs. Amerilink)
- Civil Action No. 04-399 (BroadBand Office, Inc. vs. Dittcomm)

Our records reflect that the Court initially scheduled a mediation in another adversary proceeding (against Atlas Van Lines, Inc.), but that mediation was subsequently canceled by the Court. I contacted counsel for Datec Corporation, Thomas Whelan, who confirmed that he did not have any record of a mediation scheduled for January 12, 2006 and that his client would likely not have sufficient time to prepare for a mediation. The attorney for each respective defendant in the other two adversary proceedings has withdrawn. We intend to file motions in both of those adversary proceedings to require the corporate defendants to secure new counsel by a date certain, and we recently filed a motion to amend the complaint in the case against Dittcomm to correct a possible defect in the name of the defendant.

It is our understanding from Your Honor's chambers that no mediations will be going forward in these adversary proceedings on January 12, 2006. Nonetheless, we are available at the Court's convenience should Your Honor wish to address the foregoing with the parties.

Respectfully submitted,

/s/

Adam Hiller
